

GROWING TOGETHER IN DIVERSITY

arQus MOVES

"We are mosaics – pieces of light, love, history, stars – glued together with magic and music and words."

-Anita Krishan

VIRTUAL EXCHANGE

INTERDISCIPLINARY

MULTILINGUAL

MULTICULTURAL

Participants will work **online collaboratively** with students coming from various countries to enhance their **soft skills, intercultural, linguistic and digital competence** and get prepared for **physical mobility**.

GOALS

The project will last **8 weeks**. Students' workload is estimated around **2/3 hours/week** and combines **synchronous** and **asynchronous** activities.

Prepare for an **INTERNATIONAL STUDY ABROAD PERIOD**

Enhance and foster **SOFT SKILLS**

Boost **STUDENT'S MOBILITY**

Promote **INCLUSIVE MULTILINGUALISM**

Stimulate interest in **GLOBAL ISSUES**

STUDENTS DIFFERENT BACKGROUNDS

TOPICS

WHEN

twice a year,
prior to
departure

1ST SEMESTER ARRIVALS:

>>>>
JUL - SEP

2ND SEMESTER ARRIVALS:

>>>>
NOV - DEC

PLATFORMS AND ACTIVITIES

Students will communicate in different ways:

- communication many-to-many (multiple languages)
- communication few-to-few (collaborative activities)

LANGUAGE BUBBLES

To boost multilingualism, other than **English**, several other languages will be used within language bubbles, pushing intercomprehension towards seemingly related languages such as romance, germanic or slavic languages.

WHAT WILL STUDENTS GAIN?

Students who will be punctual in meeting the following requirements****, will be given a **badge**, a **certificate of participation** and even a **certificate of award** if they will distinguish themselves in terms of commitment as well as of active participation.

***REQUIREMENTS:

- ☒ Participate to at least 80% of synchronous online sessions (out of 7/8)
- ☒ write a final essay on the overall exchange
- ☒ create at least 3 infographics
- ☒ comment on at least 4 of your peers' posts and infographics
- ☒ fill in 3 questionnaires
